**Arun Bhat**  
 Head - Brotherhood Projects  
 Odisha, AMNS India

It gives me immense pleasure to introduce you to the first newsletter of AMNS India at Paradeep. Anubhav, dedicated to our community members. This newsletter will cover the latest developments in our operations over the three years of operations with local partners. Over the three years of operations, our engagements with local stakeholders have transformed into successful community partnerships. We have signed an MoU with the Odisha Government for 7 MTPA integrated steel plant in Paradeep. We are taking a significant step towards supporting Odisha's one trillion-dollar economy target. Such mega projects cannot be completed without community support. So, let's unite to create even bigger success stories, taking our support to the national stage and establishing a crucial centre for nation-building.

**Walking you the best.**

Cash prize of Rs 10,000 and trophy was presented to the winning Nuagarh team, while the runner-up Paradeep team received a cash prize of Rs 5,000 along with the runners up trophy. Sunil Babu of Nuagarh team was adjudged the Man of the Series. Sarwat Khatua of Nuagarh team bagged the awards for both maximum number of wickets and for highest runs scored in the tournament, and Kumar Bhatia of Paradeep team was awarded for being the highest wicket taker of the tournament. Sudhansu Khattua was declared Man of the Match.

In the post-match award ceremony, Sri Suresha G, Executive Director, Odisha Operations, AMNS India, Sarmita Behera, CSR Manager, Head, CSR, AMNS India, gave away the awards to the winners.

The Ground-Breaking Ceremony for development of a 100-acre sports facility in the village of Nuagarh was also performed on the occasion.

**TESTIMONIALS**

**Anita Behara**  
 Nuagarh

I am delighted to introduce "Anubhav", the inaugural newsletter of AMNS India at Paradeep, aimed to better communicate with our community members. Paradeep holds a significant place in our hearts, not only for its strategic location but also as a thriving community. We are privileged to be a part of it. The newsletter is a part of our vision to transform name and emotions into a source of pride and inspiration. It will reflect our growth story in Odisha, and a testament to our resilience and commitment to our stakeholders. Through "Anubhav", we aim to capture your feelings and showcase the humane side of a world-class organization.

**My best wishes to you all.**

**Ranjit Das**  
 Nuagarh

The day and night cricket tournament in our locality, organized by AMNS India, is the first of its kind. This is the first such tournament hosted by a corporate house. I would like to thank AMNS India for giving us the opportunity to exhibit our talent.

**Kumar Bhatia**  
 Paradeep

By organizing such a tournament in rural areas, AMNS India gave strength to local youths to keep their sporting spirit high and ignited the spirit of sportsmanship. We expect more such tournaments in sports in our locality where the youths will get chance to hone their skills in sports.

**Sudhansu Khattua**  
 All Rounder, Nuagarh

It was a sense of unity and brotherhood in our three Panchayats - Paradeep, Nuagarh & Bhurumunda, but also help develop an inclination towards sports among the youths.

I am thankful to AMNS India, NSDC and Future Global Skills for launching this government certified training for local youths like me. The course was aligned to the industry requirements, which helped me quickly understand and meet the workplace deliverables. During the course, we were exposed to classroom and practical trainings that made the learning process more interesting and motivating throughout the training. To celebrate the grand success of the first batch, a Felicitation cum Award Ceremony of Digital Skilling

Development Corporation had set up a Skill Development Centre at Paradeep in May 2022 to impart skill development training to the local underprivileged youth in ITI sector job roles. The first batch of 200 youths of ITES sector were successfully placed in reputed companies. 143 interested candidates from Paradeep region have successfully completed training.
